Fumè Glass

Βασικά Χαρακτηριστικά

- Η βάση είναι μια μοναδική δομή, που σχηματίζεται από δύο «κύματα» που φαίνεται να δημιουργούν τα ευαίσθητα πέταλα ενός λουλουδιού.
- Το πάνω μέρος του τραπεζιού διατίθεται σε γυαλί ή σε κεραμικό σχήμα βαρελιού και διατίθεται σε δύο διαφορετικά μεγέθη.

Standard Features

- The base is a unique structure, formed by two "waves" that seem to create the delicate petals of a flower.
- The top of the table is available in shaped glass or in barrel-shaped ceramic and comes in two different sizes.
