

Information & Cleaning instructions

Rope:

- The material of the rope is 100% polyester rope (made of polyester yarn). It is water resistant.
- DO not spray water with high-pressure garden hose nozzle gun.
- DO not wash or spray with drilling / borehole water since it is not suitable.
- Cleaning the rope as fabric below.

Cushion:

- The fabric is Acrylic and it is water resistant.
- It can be used in a washing machine but in less than 30 C water temperature.
- Cleaning them from a stain, for example ice cream or wine: Stains on the Fabric can be cleaned with 30 °C, low-temperature water, with neutral soap liquid. You can use a brush to brush lightly. After washing the stains, just dry naturally, do not twist to avoid fabric deformation, and do not use high temperature ironing, to avoid high temperature discoloration.
